## **Our Saviour's Offers Vacation Bible School, July 14-18**

### ***'Power Lab' Teaches Children About Bible with Science-Themed Activities***

**FAIRFIELD, Conn.**, May 16, 2008 – Looking for a wholesome week of fun for your children this summer? Our Saviour's Lutheran Church is holding its annual Vacation Bible School (VBS), July 14-18, from 9:00 a.m. to 12 noon each day. All children, grades Pre-K (age 3 and up) through 6th, are invited to participate.

This year's theme, *Power Lab: Discovering Jesus' Miraculous Power*, engages kids with fun, science-themed activities that teach them about the Bible and Jesus. A variety of lab stations will be offered for every age level and interest, featuring songs, crafts, games, Bible stories, treats and videos. There are both indoor and outdoor activities.

“It's going to be a great week filled with lots of fun and fellowship – sort of like Sunday School and summer camp all rolled into one,” said Lee Fallet, Sunday School superintendent at Our Saviour's who is organizing the VBS program.

Each day of VBS features a different “Bible Buddy” – a fun, animated character that teaches an important lesson from the Bible. On Monday, it's “Fizz,” showing the children that Jesus gives us the power to be thankful; on Tuesday, “Sparki” shows how Jesus gives us the power to help others; on Wednesday, “Dewd” shows how Jesus gives us the power to be brave; on Thursday, “Max” shows how Jesus gives us the power to live forever, and on Friday, “Electra” shows how Jesus gives us the power to tell others about God.

Wrapping up the week-long program, a “Faith Fusion Finale” will be staged on Friday, July 18, at 9:30 a.m., in which all VBS participants will perform the songs they have learned during the week for their families and friends.

All activities and events will be held at the church, located at 160 Hill Farm Road (corner of Duck Farm Road) in Fairfield. For more information about this year's VBS and to register your child or children, contact the church at (203) 255-0545. The fee, which covers all activities and food for the week, is \$30 for the first child registered from a family, and \$20 for each additional child from the same family.
